2026 Rising Sun Division Events Team Rules & Standards

The policies in this document are policies that have mostly been crafted by group discussion and voted into place by the members of the team.

The policies are in place for everyone's benefit. If there is a rule you don't understand or don't agree with, please let us know and we will take it into consideration.

Our priority with our 4-4-4 is to follow all standards and all rules.

2. Integrity
3. Team over individual
4. Humble & Hungry

4 Coordinator(s) Standards (The 4 C's)

1. Caring
2. Consultive
3. Candid/Fair
4. Communicative

Event Team Core Rules

1. **All Parties & Representatives Must Be On Time for any event team Meeting**
    a. **$50 Fine - Late**
    b. **Hour Late = Lose first round of picking + $50 Fine**
        i. ***Exemptions can be made BY EMERGENCIES ONLY.***

        1. ***<u>Up to Coordinators & DVM what classifies as Emergency</u>***
    c. **2 hours late = Lose 1st Round of Picking & 2nd Round of Picking + $50 Fine**
    d. **3 hours late = Considered missing meeting and cannot pick any shifts this period + $50 Fine**
2. **<u>Take Personal Responsibility for your event</u>**
    a. We will do our best to get information out to you regarding the event, however there will be times where we do not receive emails or information on it. Therefore you must reach out to promoter yourself and email to get that information.
    b. Anything that does not say "BOOKED" is up to you to reach out to the promoter or CUTCO events team to make sure it gets booked.
3. **<u>Finding Shows</u>**
    a. If you **FIND** a show that we have not done/worked and we end up doing it you get 1st dibs on working the show that same year and the following year.
        i. First Time Event will not negatively impact your shift average. It will only benefit
4. **<u>Following up with Leads</u>**
    a. Honesty with Customers on following up with Customers
    b. Every Rep must have THEIR own system for sharpening

5. **<u>Talk Upwards not Sideways or Down</u>**
    a. We strongly, strongly, encourage you to go to the coordinator(s) with any issues you have with someone on the team including any of the team's leadership.
6. **<u>All stats must be submitted by Tuesday Night the following week of the event</u>**
    a. Stat reminders will be sent out Monday and must be completed the following day via Google Form.

5. **<u>All Representatives cannot leave early from shows</u>**
   a. Exceptions:
      i. Consent from another Representative working the event with you
      ii. If there is an emergency you must contact the coordinators immediately.
   b. Fines will be the same as being late
6. **<u>All Representatives will take turns at the Booth</u>**
   a. Turn System:
      i. Cut, Quote, Card, Close
         1. Cut = Food, Leather or Penny
         2. Quote = Quote a price
         3. Card = Gave a business card or took someone's information and/or signed up for sharpening
         4. Close = Closed an order
   b. A turn **does not** count if the customer has a representative on ROR that they work with.
   c. A turn does not count if its a Be Back
   d. Any Order Discrepancies involving turns that are taken at the booth that are questionable should be brought to the coordinator.
      i. Once it is brought to the coordinators - the coordinators have the final say.
   e. Representatives working together can create their own turn system if they agree. If they do not agree then the default will be the system laid out above.
7. **<u>All Events Team Members must follow the Rep of Record system at the Booth</u>**
   a. Refer to ROR Policy below
   b. Any RoR discrepancies will be brought to the coordinator on a case by case basis.
8. **<u>Sharpening At Events</u>**
   a. Can sharpen at Mesa Marketplace, Kiosks, and any traditional event
   b. Any Key or Elite Events Must get coordinator approval for sharpening at a non-designated sharpening event
   c. Representatives MUST not set precedent that any customer can bring in knives to the event. It is BY appointment only with their current representative.

9. **<u>Canceled Show</u>**
    a. By taking on a show you assumed the risk. If the same show is rescheduled within 2 campaigns then you get that event.
10. **<u>Representatives (and assistants/field trainees) working together cannot work with more than 2 parties at once UNLESS they are all together as a group.</u>**
    a. Whoever's turn it is can decide which party they want to work with and give the other party to the other rep
    b. The Representative who IS NOT working with the multiple parties MAY ask the other representative working "Are they all together" And if the answer is no the representative whose turn it is may choose which party to work with.
    c. Any discrepancies or issues when it comes to turns should
        i. Be handled amongst yourselves
        ii. If you cannot come to an agreement then you may involve the coordinator(s) who will have the final say.

Shift Picking Rules and Standards

1. **Must have Shift Pick List before day of meeting**
    a. Must Consist of:
        i. Event Name & Days
2. **Your Tier STATUS is determined by your Key or Traditional shift average from the previous 12 months. (Minimum of 10 shifts total)**
3. **Your PICKING ORDER in your tier is determined through 3 weighted criteria**
    a. **40% -WEIGHTED AVERAGE from last 12 months**
    b. **40% - Previous RSD Event Campaign Sales**
        i. **INCLUDES: Kiosks, Events, Service Events, Service Calls from leads from the booth and any follow up sale done if it's a direct lead from the event.**
    c. **20% - 12 months total sales**
    d. **You will be ranked in each category and then whatever your rank is we will multiply the appropriate percentage**
        i. **Ex. You ranked 2nd in weighted average so we take 2 * .4 = .8**
        ii. **We will then add all your points up and the lower the overall score the higher the overall ranking**
4. **Once Name is in Shift Schedule it is final until meeting is over**
    a. Coordinator & Leader Rule: Have until day before meeting to submit all pre-picks
5. **Time Restraint: 2 minutes per turn**
    a. No extensions, you get 2 minutes with no option to extend or pick during the next person's turn.
6. **Cannot talk to MC during Shift Picking unless it is your turn to pick shifts.**
    a. Once your turn ends your shift is final.
7. **If you leave the division/not attend for more than 3 meetings you will start at JV level and work your way up from there based on tier system and rules (or if you are from a different division)**
8. **Booth Situation will be completed after meeting**
    a. Visualization Manager & Coordinators has Final Say in Booth situation

FAQ

1. **How do Event Charges work?**
    a. Cutco pays for our events ahead of time, communicating with myself as well as the promoter of the event, based on the price that they are charging us. These charges are then later transferred after the event to whoever the rep was that worked that event. You may have your charges to your account

from the cost of working that event done all at once one of the weeks after the event or in up to 6 installments to pay for your show costs. Default is to do installments.

b. Charges sent in to be applied to reps will not be adjusted unless it is coordinator error. Even then sometimes Olean will not accept it, especially after the 1st charge.

2. **What do I do if I want to invite someone to work with me at an event?**
    a. You can invite anyone to work with you at a ONE PERSON event AS LONG as they qualify to work that event
3. **What happens if I work a NEW EVENT?**
    a. Will not negatively impact your shift average
    b. You will get priority to work it the following year as well.
4. **What happens if I find a show to work?**
    a. If you find a new show, you get priority to work it before the meeting begins. You'll also have the opportunity to work that same show the following year.
    b. Brand new events will not NEGATIVELY affect your shift average
5. **What if I have an issue with one of these rules?**
    a. Coordinators will have a one time Town Hall meeting in January where they will hear constructive feedback on the policies and/or ways to improve our team/policies
6. **What do I do if a customer does NOT want to work with their current representative?**
    a. Hold the order and bring it to the coordinator's attention.
7. **If I need someone to cover my shift, what are my steps to make sure it's officially covered?**
    a. You MUST send an email to the ADMIN COORDINATOR requesting the shift change and you must CC the individual who is covering your shift.
        i. nathaniel.cchua19@gmail.com
    b. If it is an Elite Level Event ALL changes/trades must be confirmed by coordinator(s)
        i. Any event must be given to the individual with the highest ranking from the previous meeting.
8. **Who is considered a transplant representative and a part of our division?**
    a. A representative is considered a transplant if he/she meets the following requirements
        i. Has lived and worked in division but has since moved to another state/division
        ii. Works equal to or more than 4 shows/year
        iii. Be approved by the Coordinator(s) & DVM
9. **How do I submit Receipts?**
    a. The Admin Coordinator will be sending out weekly emails with Stats & a link

where you can submit receipts. At the end of the month the coordinators will evaluate receipts and send out the approved funds.

b. For a receipt to be approved it must be
    i. Related to a Show Shift
    ii. Full clear, non blurry picture of the receipt
    iii. Exact total must be visible.

10. How do I transfer an order?

a. Before processing the order you must put in special instructions the following
    i. Rep Name of the person you are transferring to
    ii. Rep Number of the person you are transferring to.
        1. EX. Please transfer to Joe Smith, rep number - 444444

11. If I close an order after the event has ended does it count for my shift average?

a. No it does not count for shift average UNLESS it is taken during the event. Once the event is over it is counted as a FOLLOW up order. Follow up orders however still contribute towards 60% of your show picking due to it being a lead from the event.

12. How does Summer Show Picking Work?

a. Fall & Spring you pick 2 shows during your turn. In summer you pick 1 show during your turn.

Rising Sun Division ROR Policy

This document lays out the framework of our ROR Program as voted on by our Leader's Group. This program reflects our core values of teamwork, customer service, and a focus on long term growth. All members of our team agree to these standards in order to work events in the Rising Sun Division. The terms of this program can be reassessed at the Leader's Meeting prior to each campaign.

Objective: To encourage our team to advertise aggressively to their customers and drive traffic to the booth. This will increase our event average and the profitability of each team member. The presence of engaged, well taken care of customers enhances our brand and helps us close new customers. This also benefits the team by helping retain top talent who have invested significantly in their training and clientele. We will improve the customer's experience because we no longer need to ask so many discovery questions to identify their rep. Everyone on the team works with every customer, and this incentivizes team members working hard to increase their customer base. Team members can also be freed from having to work the same events

every year for fear of missing out on past customer business. This provides flexibility to each team member and the program as a whole.

Any active events team member is **required** to be on the ROR Program. All orders and service call leads taken at the booth must be checked against the most recent ROR List to see if that customer has an active rep in good standing on our Rising SunTeam. To be considered "active and in good standing" that representative must be

- Working a minimum of 4 events/year (not shifts)
- Elite+Varsity must have actively marketing monthly to customers
    - Marketing includes: Texting or Emailing
- JV must have a CRM
- Freshmen are eligible to participate in ROR as long as the following requirements are met:
    - Complete Events Training/Field Training Requirements
    - Work First Shift
    - To maintain ROR - Freshmen must work a minimum of 1 event/campaign
- Attending ⅔ meetings (either virtual or zoom)
    - Between the last 3 meetings
- Not subject to any disciplinary action.
- Any disputes on whether an individual qualifies for inclusion will be decided by the Division Coordinator(s).
- The ROR list will be updated at least once a campaign.
- ROR must be downloaded through VectorConnect.

If you miss turning in your list we will utilize your list from the previous if you have one on file with RSD.

RoR is defined as having a VECTOR CONNECT order history

When a customer or a referral of said customer does show up on the ROR list, the order is to be handed over to their original rep.

- The original rep must then pay a ROR tip out fee to the representative that closed the sale.
    - Under 1000 CPO = 10%
    - 1000-1999 CPO = 15%
    - 2000+ CPO = 20%
    - Service Call or Service Event = 25%
- This payment is done between the individual reps, and must be within a reasonable amount of time (7-10 days).
- If there is a failure to pay the ROR fee, the coordinator is to be notified so they can address the situation.
- Failure to pay ROR will subject people to disciplinary action, including but not limited to removal from the ROR program and possible suspension from the team.

- Failure to check ROR when writing up an order and original rep discovers the Order there will be a transfer with no tip-out.
- Failure to check ROR before Servicing a client will result in a 10% tip out vs 25% tip out

The spirit of the program is to encourage relationships between reps and customers, but customers are not expected to always remember the person they originally worked with. Oftentimes customers will forget the hard work the original rep did for them, and will say whoever is working with them should get the order. We will simply reassure them that we take care of each other and will make sure everyone is compensated. Our responsibilities to each other and the program are more important than any order.

Divisional Coordinator(s) reserve the right to remove representatives from the ROR Program due to dishonesty or violations of ROR Policies.

We also acknowledge that customers are not obligated to work with reps who are not serving their needs. When a customer has a complaint about their rep we are to note their concerns and take the order as usual. That information should then be emailed to the Division Coordinator(s). The Coordinator will decide if the issue rises to the level where the customer should be removed from the original rep's customer list. In the case where that happens the Coordinator will notify the original rep, and that rep is expected to remove the customer from their company list and database. The "new" rep who worked with that customer will now be that customer's Rep of Record. These cases are extremely rare, but customers will not be tied to a representative that cannot or will not properly service them

However, if divisional coordinator(s) or representative discovers there was a transfer of clients without any prior acknowledgement/notice or attempt to work with the other representative/coordinator then the following fine system will be in place

A. First Offense: Order gets flipped with no tip out and a conversation with DVM
B. Second Offense: Suspension for the rest of the campaign
C. Third offense: Suspension from the Team.

Past team members will not be afforded protection on the ROR list if they are not currently active. The current team is sharing the burden of show costs and investing time in these events.

ROR FAQ

1. **What if the husband buys but the representative only has the wife on the ROR list?**
    a. Although this is rare it can happen, if this does happen and the husband doesn’t know who his Representative is, you can always ask what his spouse’s name is and then you can look up that name on the ROR list OR you can look up his

address to see if it's on file. If nothing appears after doing all that then it's fair game and you can place the order.

2. **What counts as a referral order?**
    a. If a customer comes up to the booth and their referral/friend/family purchases at the booth and the customer owns CUTCO then the representative must check the ROR for said customer.
3. **What about Facebook/Factory/Company leads?**
    a. Check ROR when you see a facebook lead being booked at a service Event
4. **How do I check for ROR?**
    a. Download Master ROR Spreadsheet onto phone or device
    b. Pull up as soon as the customer mentions he/she is a past customer and is suspected to have a rep
    c. Type in last name into Search bar or Command F.
    d. Can also try address, first name, husband name and even phone number.
5. **What do I do if a customer does NOT want to work with their current representative?**
    a. Hold the order, take notes on the interaction and bring it to the coordinator's attention.
    b. There must be a **genuine complaint/issue** regarding the other representative
        i. Just because the client does not KNOW the representative does not validate a client transfer.
    c. If you have documentation or letter please provide to the coordinator(s)
    d. We ENCOURAGE you to work it out amongst each other - but if you are uncomfortable going to the other representative then you may bring it to the coordinator for us to handle
    e. However please be aware - JUST because a customer wants to switch representatives does NOT mean you will get to keep the full order without any tip out percentage.
        i. All order transfers and/or tip out percentages will be handled on a CASE-by-CASE basis depending on the situation.
    f. If a coordinator is involved in ROR discrepancy then you may bring it to the other coordinator and/or DVM.
6. **What about CTR?**
    a. Double the CTR and remove that from the CPO.
7. **What happens when a Customer orders multiple times in a single campaign?**
    a. If a customer ends up ordering multiple times in a single campaign then the rep can check to see if the customer ordered after the ROR submission deadline and then the order will still get flipped and normal tip out percentage will still be honored.
8. **Can I purchase things at 1/3rd to be able to increase the CPO to qualify for the next CPO level?**
    a. No, this is not allowed. You may give product ON HAND if you have some but you may not send things at 1/3rd to the ROR's client.

9. **What if a Customer says the Representative's name but the customer pops up on ROR but under a different Rep?**
    a. Work out amongst reps, if need be - involve coordinators for final say.
10. **What if the customer says the Representative's name BUT they don't pop up on RoR List**
    a. **The order gets transferred based on NAME DROP.**

RSD Team Service Event Standards

A **Team Service Event** is considered a Service Event with more than 2 people. These standards will apply for any service event that has more than 2 people at the event. Our goal for these policies is to create consistency and have clear guidelines and communications for all representatives so that we create a great experience for the client. We treat each service event day just like an event.

- All representatives must show up to their scheduled event. If you do not show then you will be charged the full cost of the service event
    - If you do not show and let no one know while still having clients show then this will be treated as a NO CALL NO SHOW violation
        - A No Call No Show where you do not show up to your shift will result in the following consequence:
            - Charged Full Amount for Event
                - First Offense: $200 Fine + Lose First Round Picking
                - Second Offense: $300 Fine + Lose First 2 Rounds of Picking
                - Third Offense: Removal/suspension from events team
            - Offenses will reset every year
            - *If you have clients scheduled you must show up to the event*
- If you sign up for the event and you no longer plan on working the event you must let the Service Event Coordinator know a minimum of 2 weeks in advance before the date of the event to avoid being charged for the event.
- Representative must bring the following display products to the Service Event:
    - Ultimate Set
    - Flatware Set
    - Accessory Package
    - *Elite Members only - Biz Gifts*

    - Aspiring Cookware Set
        - Can split with another representative
    - *Service Event Supplies will be provided by team and are NOT required*
    - A $50 fine is in place for not having one or all of these pillars.
- All Representatives must submit a screenshot to the Service Event Coordinator of their Calendar the day before of the event.
- All representatives must be fully set up 15 minutes before scheduled time and may not begin to tear down until 6:00 pm (unless there are NO APPOINTMENTS BETWEEN ANY REPRESENTATIVE LEFT). If a representative is late and/or leaves early then the following fines will take place:
    - First Offense: $50
    - Second Offense: $100
    - Third Offense: $200
    - Fourth Offense: $300 +Disciplinary Action from DVM and Coordinator
    - *If you don't have enough appointments then work on your business and use the venue as your office for the day and to get more appts booked for following service event(s) OR call customers if running a sale promotion.*
- Orders must be tabbed under correct event & stats submitted by the following Tuesday (from the last service event) to avoid a $50 late fine.
- In order to keep your status and hit your requirements (elite, varsity, freshman etc.) you personally have to work the event you cannot have a representative work on your behalf.
- All representatives are required to have a minimum of 45 minute appointment slots,
    - 30 minutes is allowed if you have a sharpening assistant with you
- *If no greeter for the event* - then whomever is available should greet the client and inspect the knives if their representative is busy. And inform the rep subtly that their client is here.
- Factory sharpening - $30 per client sending in products to the factory. You can choose to waive this fee/offer to pay shipping there but if you decide to charge the client you cannot charge anything more or less.
